ART GALLERIES

As high quality art can stimulate creativity and new perspectives, DIFC's several art galleries showcase a diverse range of artwork and culture from across the region and from the wider world. Works of art have been deployed at public spaces across the district to complement the Centre's award-winning architecture. In addition to its galleries, DIFC also hosts Art Nights @ Gate Village, a lively mix of music, gallery shows and performances in the Gate Village district. With several galleries based within the district and numerous art and culture events throughout the year, there's a world of art to discover.

EDUCATION

Aware of the fact that the global financial sector depends on investment in human capital, DIFC has created a major hub for executive education and training that ranks among the best in the world. The DIFC Centre of Excellence (CoE) has established partnerships with top ranking business schools, professional development providers, corporate universities to provide a rich choice of academic courses and training programmes. The CoE's programmes are fully certified, accredited and rated by leading international institutions such as the London Business School, Cass Business School, Duke University, Queen's School of Business, and the Schulich Executive Education Centre. Innovative focus is also provided to specialised fields relevant to the region such as Islamic finance and energy.

DIFC Authority is the central entity established to oversee the strategic development, operational management and administration of the Dubai International Financial Centre.

Dubai Financial Services Authority (DFSA) is the central independent regulator that grants licenses and supervises the activities of all financial and non-financial institutions in DIFC.

Dispute Resolution Authority (DRA) is responsible for the independent administration and enforcement of justice in DIFC. The DRA incorporates: DIFC Courts, Wills & Probate Registry and the Arbitration Centre.
