Appendix 2 - Decision-making Procedures

1. Interpretation

For the purposes of this Appendix:

“Relevant Person” means a person in relation to whom a power referred to in paragraph 2 of this Appendix is exercised or proposed to be exercised.

2. Application of Appendix

This Appendix applies to the Registrar, subject to paragraph 3 of this Appendix, where a provision in Legislation administered by the Registrar requires the Registrar to make a decision pursuant to such Legislation.

3. Decisions to which procedures do not apply

(a) The procedures in this Appendix (other than sub-paragraph (b) below) do not apply to a decision by the Registrar:

(i) to withdraw a direction, requirement, restriction or prohibition;

(ii) to withdraw a condition or restriction imposed in relation to a Commercial License;

(iii) in relation to a person, if the person has requested, or consented in writing to, the making of the decision; or

(iv) which is subject to express process requirements (if any) provided for in the relevant Legislation.

(b) In the cases referred to in subparagraph (a) above, the Registrar shall notify the person in writing of the decision and the date on which it is to take effect.

(c) If the Registrar makes a decision in relation to a person after a decision of the Court relating to the conduct of the person, the requirement to give the person an opportunity to make representations under paragraph 4 or 6 of this Appendix (as applicable), does not apply in relation to findings of fact of the Court.

4. Opportunity to make representations before a decision

(a) If the Registrar proposes to make a decision to which this Appendix applies other than a decision under paragraph 3(a) of this Appendix, the Registrar shall first give the Relevant Person:

(i) a written notice (a “Preliminary Notice”) containing the information in sub-paragraph (b) below; and

(ii) an opportunity to make representations to the Registrar in person and in writing concerning the decision the Registrar proposes to take.

(b) The Preliminary Notice shall:
(i) specify the proposed decision;
(ii) specify the reasons for that proposed decision, including any proposed findings of fact;
(iii) include a copy of any relevant materials which were considered in making the proposed decision;
(iv) inform the person that the person may make representations to the Registrar concerning the proposed decision; and
(v) specify how and by when any representations may be made.

(c) For the purposes of sub paragraph (b)(iii) above, the Registrar:

(i) may refer to materials (instead of providing a copy) if they are to the knowledge of the Registrar already held by the Relevant Person or are publicly available; and
(ii) is not required to provide material that is the subject of legal professional privilege.

(d) If the Registrar does not receive any representations within the period specified in the Preliminary Notice, the Registrar may proceed to make the proposed decision and give the person a Decision Notice in accordance with paragraph 5.

(e) If the Registrar receives representations within the period specified in the Preliminary Notice, the Registrar shall consider the representations in making the decision.

(f) If, after considering the representations, the Registrar decides:

(i) to make the proposed decision (either as proposed or with variations), then the Registrar shall give the person a Decision Notice under paragraph 5; or
(ii) not to make the proposed decision, then the Registrar shall as soon as reasonably practicable notify the person in writing that the Registrar has decided not to make the decision.

(g) If either:

(i) the Registrar concludes that any delay likely to arise as a result of complying with the procedures in this paragraph would be prejudicial to the interests of a Relevant Person, its Shareholders or members or otherwise prejudicial to the interests of the DIFC; or
(ii) the decision is in relation to the imposition of an automatic fine under Part 1 of Schedule 2 of the Law,

the requirements in subparagraphs (a) to (f) above do not apply and the Registrar shall provide the Relevant Person with an opportunity to make representations in accordance with the procedures in paragraph 6, after the Registrar has made the decision.

5. Decision Notice

(a) If the Registrar decides to make a decision to which this Appendix applies, the Registrar shall, as soon as practicable, give the Relevant Person a written notice (a “Decision Notice”) specifying:
(i) the decision;

(ii) the reasons for the decision, including any findings of fact and the application of any applicable Law to the facts as found;

(iii) the date on which the decision is to take effect; and

(iv) if applicable, the date by which any relevant action shall be taken by the person.

(b) The Decision Notice shall include a copy of the relevant materials which were considered in making the decision.

(c) For the purposes of subparagraph (b), the Registrar:

(i) may refer to materials (instead of providing a copy) if they are already held to the knowledge of the Registrar by the Relevant Person or are publicly available; and

(ii) is not required to provide material that is the subject of legal professional privilege.

6. Opportunity to make representations after a decision

(a) If this paragraph applies under paragraph 4(g), the Registrar shall:

(i) provide the Relevant Person with an opportunity to make representations to the Registrar in person and in writing within a period of fourteen (14) days, or such further period as may be determined by the Registrar, from the date on which the Decision Notice is given to the person under paragraph 5 above; and

(ii) inform the Relevant Person in the Decision Notice that the person may make representations concerning the decision and specify how and by when any representations may be made.

(b) If the Registrar does not receive any representations within the period specified in the Decision Notice, the Registrar shall inform the person in writing that the decision is to stand.

(c) If the Registrar receives representations within the period specified in the Decision Notice, the Registrar shall consider the representations in deciding whether to confirm, withdraw or vary the decision.

(d) If after considering representations received the Registrar decides:

(i) to confirm the decision, the Registrar shall as soon as reasonably practicable notify the person in writing that the decision is to stand;

(ii) to withdraw the decision, the Registrar shall as soon as reasonably practicable notify the person in writing that the decision has been withdrawn; or

(iii) to vary the decision, the Registrar shall as soon as reasonably practicable give the person an amended Decision Notice under paragraph 5.

(e) For the avoidance of doubt, the opportunity to make representations under this paragraph does not arise:

(i) if the person was given a Preliminary Notice and the opportunity to make representations under paragraph 4 before the decision was made; or
(ii) in respect of an amended Decision Notice given under sub-paragraph (d)(iii) above.
