I. Introduction

This user guide outlines the requirements and processes for incorporating a Recognised Limited Partnership (RLP) at the Dubai International Financial Centre (DIFC).

II. Recognised Limited Partnership (RLP)

To set up an entity as a Recognised Limited Partnership in DIFC, RLP must have been formed in a jurisdiction other than the DIFC and is registered with the Registrar to carry on business in the Centre. It has to fulfill the following:

- Appoint at least one person to accept service of documents or notice on behalf of the Recognised Limited Partnership and;
- Have a principal place of business in the DIFC

For more details about this legal structure, please refer to DIFC laws and regulations available on: <http://www.difc.ae/legal-database>

III. In Principle Approval

Prior to applying for the Registration of an RLP and depending on the type of the proposed business activity, an in-principle approval should be obtained either from the DIFC Authority (DIFCA) or the Dubai Financial Services Authority (DFSA).

DFSA's in-principle approval will be applicable for RLPs whose proposed business scope falls under financial activities. *DIFCA's in-principle approval* is required for RLPs whose proposed business scope falls under non-financial activities. For the list of non-financial activities, please visit: <http://www.difc.ae/non-financial-activities>. You may also contact the DIFC Business Development on setup@difc.ae for further details.

Upon receiving the in-principle approval, the company may proceed with securing a registered address (an operating location) within the Dubai International Financial Centre either through leasing, sharing office space or purchasing a commercial/retail unit. Sharing office space is allowed only for affiliates and is subject to approval by the Business Development Department of DIFC Authority.

IV. Operating Location

In order to complete the registration application with DIFC, please ensure that the entity's operating location is registered before submitting the application on the DIFC Client Portal:

- If you are operating from a leased/ subleased unit, please ensure your lease agreement is registered with the DIFC Registrar of Real Property. For more details, email rorp@difc.ae. If your lease is signed with DIFC Investments LLC, lease registration will not be required as it will be completed automatically by DIFC Investments LLC.
- If you are sharing a space with an affiliate, please obtain a No Objection Letter (NOC) from DIFCA. For more information, please contact your Business Development Relationship Manager from DIFCA.
- If you are operating from a purchased unit, the unit must be owned by the entity itself or by the sole shareholder. Please contact our Registrar of Real Properties team on rorp@difc.ae to apply for "Self-Occupy".

V. Name Reservation (optional)

If you would like to reserve a name, before proceeding with the application for Registration of the RLP, you can submit an Application for Name Reservation in hard copy along with the fees as per the table below to the DIFC Registry Services. Nonetheless, name reservation is an optional service that is provided by the DIFC Registrar of Companies. A proposed name can be reserved for a period of 90 calendar days.
